

➔ TSP654II

Entry Level, 300mm/sec POS Receipt Printer

As one of the most innovative POS manufacturers today, Star has created a powerful, high performance receipt printer at entry level pricing.

With a print speed of 300mm/sec and print quality of 203dpi with standard and 2D barcode support; the TSP654II offers high reliability of 60 million lines combined with Energy Star Certification.

The ergonomic design and optional splash-proof cover, combined with standard 80mm receipt printing; allows the TSP654II to fit seamlessly into the majority of hospitality, retail and kiosk environments.

- High Speed: 300mm/second, Print Output: 203dpi with Standard and 2D Barcode Support
- High Reliability: 60 million lines (MCBF)
- Energy Star Certified including PS60
- Star AutoLogo™ feature to independently add logos and coupons to receipts
- Near End Sensor for horizontal and vertical use
- Easy “Drop-In & Print” Paper loading

Connectivity

Traditional interfaces plus low cost...

- Ethernet
- USB

TSP654IIBI Bluetooth (Apple & Android)
TSP654IIWebPRNT Platform independant, high speed network receipt printer. Capable of Web based printing from any platform

TSP654II

New, high performance, entry-level, desktop POS printing solution

Superior Printing Capabilities

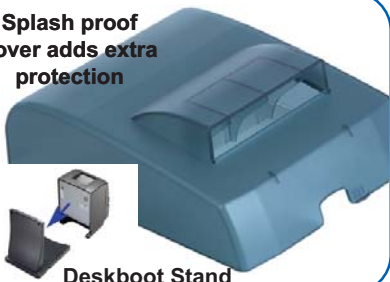

High Speed: 300mm/second
Print output: 203dpi with Standard and 2D Barcode support

High Reliability

60 million lines (MCBF)

Splash proof cover adds extra protection

Deskboot Stand

Star's AutoLogo™ Feature

Completely independent marketing tool to add coupons and logos to receipts

What's in the box

Wall mount bracket, vertical mount kit, 58mm guide, power switch cover, installation CD and start up paper roll included in the box at purchase
